RADIANCE metallics

HELPFUL INFORMATION ABOUT

Three beautiful ways to add sparkle.

Classic Colors: 65 Traditional metallic colors.
Jewel Colors: 55 Luminous colors that are very bright and clear.
Galaxy Glimmer: 38 Dazzling colors in a sparkling metallic rayon blend.

Galaxy Glimmer Tips

- Just like Radiance Metallics, Galaxy Glimmer© stitches beautifully
- Galaxy is a twisted smooth thread, and also looks great stripped and laid flat.
- Galaxy is available in 18 now, promising 13 and mini in the future.
- A little wax on the end keeps the stands together and helps prevent fraying.
- Use pure, unscented wax with no added color.
